Report on review of Unconsolidated Condensed Interim Financial Statements

Introduction

We have reviewed the accompanying unconsolidated condensed interim statement of financial position of **Saudi Pak Industrial and Agricultural Investment Company Limited** (the Company), as at June 30, 2023 and the related unconsolidated condensed interim statement of profit or loss, the unconsolidated condensed interim statement of comprehensive income, the unconsolidated condensed interim statement of changes in equity, and the unconsolidated condensed interim statement of cash flows, and notes to the unconsolidated condensed interim financial statements for the six-month period then ended (here-in-after referred to as the "interim financial statements"). Management is responsible for the preparation and presentation of these interim financial statements in accordance with accounting and reporting standards as applicable in Pakistan for interim financial reporting. Our responsibility is to express a conclusion on these interim financial statements based on our review.

Scope of Review

We conducted our review in accordance with the International Standard on Review Engagements 2410, "Review of Interim Financial Information Performed by the Independent Auditor of the Entity." A review of interim financial statements consists of making inquiries, primarily of persons responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with International Standards on Auditing and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.

Conclusion

Based on our review, nothing has come to our attention that causes us to believe that the accompanying interim financial statements are not prepared, in all material respects, in accordance with the accounting and reporting standards as applicable in Pakistan for interim financial reporting.

Emphasis of Matters

We draw attention to:

- a) note 20.3.1 to the interim financial statements describing the tax contingencies,
- b) note 10.1.2 to the interim financial statements describing non-payment of instalment due to the lock in event in respect of term finance certificates (TFCs); and
- c) notes 3 and 3.1 to the interim financial statements describing the effects of early adoption of International Financial Reporting Standards-9 "Financial Instruments".

Our conclusion is not modified in respect of the above matters.
